Consort of Secrets: A Paranormal Reverse Harem Novel Witch's Consorts Series, Book 1 By: Eva Chase

Every witch knows the rules: Stick to your own kind. Never reveal your powers to outsiders. Take a consort from the witching families or kiss your magic good-bye forever. For years I've been quiet, obedient Rose Hollowell. I accepted the man my stepmother chose for me. But I never stopped missing my long-ago friends. Now we're back on my childhood estate to arrange my marriage. The boys I grew up with? They're still in town-and they haven't forgotten me either. And damn if they haven't grown up well. They've got no magic, no place in my life. But they're charming and sweet and infuriatingly hot, and I can't seem to stay away. The more I try to resist, the more secrets I uncover about my family, my betrothal, and everything I thought was true about the witching world. I've been lied to. I've been betrayed. So to claim my magic and my happiness, I'll break every rule there is-and then some. Don't mess with this witch. Every rose has thorns.

No more quiet, obedient Rose Hollowell. Every witch knows the rules-and I've broken them all to save myself and win my happiness. I thought my troubles would be over once I had my magic and my men by my side. Apparently I was a little too optimistic. My stepmother left me with a seed of doubt I can't shake. I may have more enemies in my home than I ever imagined. My guys say they'll do anything for me, but they couldn't have been prepared for the twisted secrets of the witching world. Or for an old friend to unexpectedly show up in town, with who knows what complications for our newfound connection. The thorns are closing in around us. Will my unpracticed magic and my consorts' love be enough to guide us through?

Six award-winning authors bring you this spellbinding collection of stories about dark desires, mysterious worlds, and danger that lurks in the shadows of the night. He owes her that much ... since his partner's a ghost, and he blames himself for her death. A dark, haunting noir mystery of love, hate and loss. FEMME FATALE by Cynthia Eden PI Mick Swayne has seen it all-his clients have included liars, thieves, and even killers. He thinks he can handle anything and anyone. Then she walks into his office. Savannah Moreau is beautiful, seductive, and...a vampire? When love comes knocking, the last thing in the world she wants to do is involve Jake in her twisted world, but the devil's started up the jukebox and Kathleen has no choice but to learn the steps. THE CONSORT by Suzanne Johnson Faulkner Hearne, the captain of the ruthless Fae Hunters, finds his duty at odds with his heart when he's ordered to capture the consort of Faerie's cruel Prince of Summer when she flees across the veil into modern New Orleans. HEART'S BLOOD by Jeffe Kennedy, a Twelve Kingdoms novella A dark fairytale retelling of a princess robbed of rank, husband and even her name. Nix is nothing. The Princess Natilde-her former waiting woman-attacked her on the journey to wed Prince Cavan, stripping her of everything and taking her place. With no serving skills, Nix becomes a goose girl. Perhaps if Nix keeps her promise never to reveal who she really is, Natilde won't carry out her vile threats. Prince Cavan entered his arranged marriage determined to have a congenial, if not loving relationship with his future queen-for the sake of both their kingdoms. But, his wife repels him more each day and he finds himself absurdly drawn to the lovely Nix. With broken vows, anguish and dark secrets between them, Cavan and Nix struggle to find the magic to restore what's gone terribly wrong... if it ever can be. THE DJINN IN THE MIRROR by Mina Khan, a Djinn World novella A paranormal Cinderella story with a young witch as the heroine and a wicked, sexy djinn instead of a fairy godmother. Beyond Ontariese, Book Six: With one consuming kiss, King Indric of San Adrin convinces Cinarra that he will no longer tolerate being only her protector and trusted friend. Cinarra has longed for the day when the handsome Bilarrian will see her as more than an obligation, but she harbors secrets that could destroy their love before it even has a chance to exist. Indric has always put the needs of his people before his own happiness. Duty and honor have kept him from claiming Cinarra, then an assassination attempt brings everything into sharper focus. Cinarra is his one true mate and he will not rest until she surrenders to their mutual desire and agrees to be his consort. Two powerful enemies have joined forces; their common goal to destroy Indric. No risk is too great and no sacrifice too dear. And anyone Indric loves is a potential target for their treachery. From Cyndi: Even good things must come to an end, but it was still bittersweet to write this story. Krystabel, the other royal twin from "Taken by Storm," has patiently waited for her turn in the spotlight. She has spent the past nine years in hiding on Bilarrí, using the name Cinarra. She is a loving mother and loyal friend, but she longs for romance and adventure. I introduced Indric in "Fire Pearl" and he refused to be content as a minor character. "Consort" is primarily a paranormal romance, but it also features scifi and mystery elements. I hope you enjoy the series finale of "Beyond Ontariese"!

Vampire hunter Elena Deveraux and her lover, the archangel Raphael, must stop a bloodthirsty vampire preying on young girls while dealing with the imminent arrival of an ancient and malevolent immortal who will stop at nothing to destroy Elena. Original.

The pretty seaside resort of Redcliffe in Cornwall is a lot more dangerous than you might think. Especially if you fall in love with a vampire and become entangled with his twin brother's werewolf pack. Bookshop owner Jessica Stone did just that, against her better judgement, and while recovering from a horrific werewolf attack she is haunted by the creator of the vampire she loves. Jack Mason's vengeful master does not share easily, and Emily Rose will return to kill her rival and reclaim her consort. Jessica has her own secrets, however, and they are about to be revealed as she discovers her true heritage as a witch. She soon finds out exactly how powerful she could become, and what lengths she is willing to reach to save the vampire she loves. Publisher Comments: The Redcliffe series is exciting, challenging, different and our heroine is on a quest of the heart and spirit. No shrinking violet she challenges all the men in her life. Paranormal romance at its best!

Levi would give every last drop of his high-octane magic to save her...but it might cost him his life. **DARKTIDE** When Angela and Connor try to find out who — or what — killed a de la Paz clan member private investigator, they realize the clans are being set up for destruction.
