The Gender Society - The Gender Society - Transgender ...

Gender is not simply a system of classification, by which biological males and biological females are sorted, separated, and socialized into equivalent sex roles. Gender also expresses the universal inequality between women and men. When we speak about gender we also speak about hierarchy, power, and inequality, not simply difference.

Transforming lives and changing attitudes. We are the UK's leading charity for people on the autism spectrum and their families. Since 1962, we have been providing support, guidance and advice, as well as campaigning for improved rights, services and opportunities to help create a society that works for autistic people.

National Autistic Society - Autism support - leading UK ...

In The Gendered Society, Michael S. Kimmel examines our basic beliefs about gender, arguing that men and women are more alike than we have ever imagined. Kimmel begins his discussion by observing that all cultures share the notion that men and women are different, and that the logical extension of this assumption is that gender differences cause the obvious inequalities between the sexes.
