This volume is the sequel to Karl Scheffold's Myth and Legend in Early Greek Art, and the second in his ambitious project to trace the representation of the Greek myths in Greek art from the beginnings down to the Hellenistic period.

This collection contains more than 30 enthralling new retellings of favorite myths as well as some you might not have heard before! Including Theseus and the Minotaur, The Twelve Labors of Heracles, and the escapades of Jason and the Argonauts, each myth is told in engaging modern language, which is easy for children to understand yet still retains the humor and intrigue of the original tales. Stunning illustrations by multi-award winning artist Katie Ponder breathe new life into each classic story. Additional feature pages delve deeper into the mythical world, providing profiles of the gods. The reference section provides key background information, such as Ancient Greek storytelling and the incredible beasts of the myths, and a pronunciation guide. Greek Myths is the perfect gift, featuring foil on the cover and beautiful illustrations throughout. Children will love exploring the tales by themselves or as bedtime stories. It will be treasured forever.

A breathtaking survey of the richness of astronomical theories and illustrations through the ages.

Gathers more than eighteen thousand proverbs from around the world and arranged by subject from ability to zeal

Describes both the design and social functions of the most buildings throughout Greece.

At the end of the fifteenth century, the Spanish Inquisition forced many Jews to flee the country. The most adventurous among them took to the high seas as freewheeling outlaws. In ships bearing names such as Prophet Samuel, Queen Esther, and Shield of Abraham, they attacked and plundered the Spanish fleet while forming alliances with other European powers to ensure the safety of Jews living in hiding. Jewish Pirates of the Caribbean is the entertaining saga of a hidden chapter in Jewish history, and of the cruelty, terror and greed that flourished during the Age of Discovery. Among the many daring figures to feature in the book are: 'the Great Jewish Pirate' Sinan, Barbarossa's second-in-command; Rabbi Samuel Palache and his brother, Joseph, who went from commanding pirate ships to founding the first openly Jewish community in the New World; and Abraham Cohen Henriques, and arms dealer who used his cunning and economic muscle to find safe havens for other Jews. Filled with high-seas adventures including encounters with Captain Morgan and other legendary pirates - and detailed portraits of cities stacked high with plunder, such as Port Royal, Jamaica, Jewish Pirates of the Caribbean captures a gritty and glorious era of history from an unusual and eye opening perspective.

A leading architectural historian examines the roots of modern architecture in the buildings, sites, and architectural details of ancient Greece, providing a close-up look at the technology, rituals, social structures, political conflicts, and myths of antiquity and assessing how they influenced the design of Greek architecture. 25,000 first printing.
